March 2013 Data Submission Background Benthic Sediment Survey.pdf

Stephanie/Scott:

Attached is the final submission of validated data collected pursuant to the Background Benthic Survey QAPP Addendum (sediment data) that accompanies the CPG LPRSA Monthly Progress Report # 70 provided under separate cover. The submission also includes associated laboratory QC data.

Additionally, please see the attached transmittal letter from ddms listing the associated reference values to be added to the EPA data base and explanation of error messages from the EDP EDD checking software.

Please note that the attached zipped data files have been provided as a "ZZP" file and the file extension should be re-named "zip" to open it (in the event EPA's e-mail system rejects this type of file).
